CORRECTION GRID:

Original Segment	Error / Weakness	B2 Proposal
"two persons taking a photo"	"Persons" is rare in speech; "people" is more natural.	**"two people taking a selfie"**
"with a selfie cam"	Slightly dated/clunky phrasing.	**"using a selfie stick"** or **"front-facing camera"**
"For this, I deduce"	"For this" is a literal translation.	**"Based on this, I would deduce..."**
"the girls have a hot wool"	Incorrect vocabulary and grammar.	**"the women are wearing woollen sweaters"**
"but it's not very hot, but it's not cold"	Repetitive and lacks precision.	**"The weather seems mild; neither too hot nor too cold."**
"is of the dirty water"	Clunky "of" construction.	**"The river has quite murky, brownish water."**
"all of them?"	Confusion between "all of it" (building) and "them" (people).	**"The entire building?"**

"doing tourism with a guide"	"Doing tourism" is a common "Spanglish" error.	**"taking a guided tour"** or **"sightseeing"**
"I think Scotland"	Scotland is a country, not a landmark.	**"I would love to visit the Scottish Highlands."**
"If I have the chance, I would like to go"	Mixed conditional error (First vs. Second).	**"If I had the chance, I would love to go."**
